OC-M-74-102
22 February 1974

MEMORANDUM FOR: Deputy Director for Management and Services
SUBJECT : Weekly Report

25X1C

25X1A

3. OC Overseas Assignee Briefing: The third annual overseas assignee briefing for senior OC officers was held 11 through 15 February [REDACTED] Each major component in OC briefed on its plans, activities, challenges and achievements in the various overseas areas.

25X1A
25X1A

4. Increased Wide Area Telephone Service (WATS): OC is increasing WATS service in response to increased usage. Comparative studies show increased call rates on the unpublished Agency phones as well. (GSA recently reported an increase in the Federal Telephone Service revolving fund from \$250 to \$275 million.)

5. [REDACTED] One of the two 250 KW generators at the [REDACTED] transmitter site has failed due to a broken piston. A commercial power "brown-out" has forced reduced power and amended schedule operation pending installation of a replacement generator about
